

NOAH KLEIN

ARTIST STORY.

Noah Klein was born into a culturally-fueled identity quest, situated between three continents and never really belonging. Finding home in his music, he now proudly embraces his scars and sensitivities as the driving force in connecting with others. Reflecting on his upbringing, Noah created his own dream world full of love, nostalgia, friendship and acceptance of himself and his surroundings.

Complex arrangements are at the heart of his first EP “Seasons”, released in 2017, while his latest releases “Hasting” and “Lights Off” are more playful and effortless – like muscles relaxing. Based in Berlin, after living in Paris and London, he now is creating his signature urban sound – a lush overlay of RnB vocals, ambient synths and lively electronic beats.
